Calling All Volunteers!!!

If you're reading this, you've either volunteered with an Omprakash Partner or you plan on it. Either way, you can do a lot for a Partner by registering on Omprakash.org as a volunteer. This doc will tell you why.

Why register?

Your volunteer experience opened your eyes and gave you new skills. Return the favor. Promote! By registering on Omprakash.org as a volunteer for an Omprakash Partner, you enable that organization to connect with future volunteers and donors. Register at www.omprakash.org/volunteerregistration. If you already have an account, sign in here: www.omprakash.org/signin

What is Omprakash?

Omprakash Foundation offers volunteer opportunities at over 130 grassroots social projects in more than 30 countries ranging from Ecuador to Kenya to India and beyond. Unlike most other databases of volunteer opportunities, Omprakash is completely free —no administrative fees whatsoever. The organizations represented within the Omprakash network address issues as diverse as deforestation, women's empowerment, energy shortages, food security, and access to clean drinking water.

Want to volunteer.. for free?

Grants are available to help qualified volunteers defray travel expenses. Visit www.omprakash.org/volunteergrants for more information.

Global Citizenship at Home & Abroad

The core goal of Omprakash is not just to connect volunteers and fundraisers with its grassroots partners, but also to offer these connections as a resource for meaningful research and service-learning projects for middle and high-school students.

I'm registered. Now what?

Awesome! Now, make sure to update your *Volunteer Activity*. Once you're signed into your account, you can click "Update Your Volunteer Activity" on the left side of your account dashboard. From the drop-down menu, select your Omprakash Partner. Hit "Submit" and you're done! Now you'll appear as a volunteer on that Partner's Omprakash Profile. And considering your experience, potential volunteers will now be able to contact you to ask for your advice.

Share your stories!

Your volunteer experience has the power to inspire others. Potential volunteers want to read real stories from legitimate sources. Who is any more real than you? Also, by writing stories you promote Partners and boost their credibility.
