Kibera Girls' Soccer Academy is proud to release its first issue of SHEDDERS, the news and entertainment magazine produced by students at the school. Each article captures an aspect of life at the school or in the larger community, commenting on the daily-life activities to profound issues that confront the rural villagers in the area.

This publication would enrich any curriculum on issues such as women's empowerment, economic development, and Kenyan culture, just to name a few. When you purchase a copy of SHEDDERS, all proceeds go to KGSA. Shipping from Kenya to anywhere in the United States is FREE. To purchase, please make an ear-marked donation to KGSA through Omprakash. Please specify that you are purchasing the magazines with your donation.

25 copies - $100.00 US
50 copies - $175.00
100 copies - $300.00
